

egg-citing news!

Our free range eggs are laid a mere 25 minute drive from Capers Cafe + Food Store, at Otaika Valley Farm in Kaharoa.

The Sandles have been egg farmers for three generations and are dedicated to having happy hens, free roaming the beautiful and fertile Kaharoa countryside. At night the hens rest in spacious safe barns, producing the highest quality free range eggs - which we then serve to you.

It's part of our commitment to bring you the freshest, most flavoursome food to fuel your day - everyday.
